

KIRBY ROAD SURGERY

NEWSLETTER

1st June – 30th June: Pride Month

June is Pride Month, celebrating LGBTQ+ communities and promoting equality and inclusion. Our GP surgery is committed to providing a safe, welcoming and respectful environment for all patients. We offer confidential support for physical and mental health, sexual health, and can signpost to specialist services when needed. We encourage patients to let us know their preferred name and pronouns so we can provide personalised care. If you have any concerns about your health or wellbeing, our team is here to listen and support you.

CHILDHOOD IMMUNISATIONS

Vaccinate to protect your child and others. Immunisations are safe, effective, and protect against serious diseases. Side effects are usually mild—such as soreness, redness, or fever—and far less severe than the illnesses vaccines prevent. Immunising your child also helps protect vulnerable people around you, including babies and those with weakened immune systems. Stay on schedule and keep your family safe.

15th June–21st June: Learning Disability Week

This week is Learning Disability Week, raising awareness and celebrating people with learning disabilities. A learning disability affects a person's ability to understand information, learn new skills, and manage everyday activities. If you have a learning disability, you may be eligible for a free annual Learning Disability Health Check at our practice. These reviews help identify health concerns early and ensure you receive the support you need to stay well. They are also an opportunity to discuss any worries about your physical or mental health and make sure reasonable adjustments are in place to support you. Family members and carers are welcome to help you attend your appointment if needed. **Contact the practice today to book your Learning Disability Health Check.**

Appointments

We provide a variety of appointment with GP's as well as other clinicians throughout the week, Monday through Saturday

All consultations are by an appointment system. Appointments can be organised by Telephone or Online via [SystemConnect](#) – (no login details required) - Scan the QR Code to book your appointment.
